

## COOLEY PROFESSIONALISM COMMITMENT FOR GUEST STUDENTS STUDY ABROAD PROGRAMS

TORONTO 2012

I understand that the Toronto program is a serious academic experience. I agree to participate in it in a professional manner. I will represent Cooley Law School and my home law school well and will not jeopardize the program's continuation or its approval by the American Bar Association. I will work with the program director and the local co-director to ensure a successful program. More specifically, I agree to the following:

**General:** While on a foreign study program, I am a representative of and an ambassador for Cooley Law School and my home law school. I have an obligation to represent the schools well, to our hosts at the University of St. Michael's College, to faculty members and students from other schools, and to the legal and social communities in Toronto, Ontario. I agree at all times to conduct myself in a professional manner, through my conduct, dress and attitude. I understand that I am subject to and will abide by all applicable provisions of the Thomas M. Cooley "Student Policy Manual."

**Attendance:** I understand that Cooley's regular attendance policy applies to the program, and I will comply with it.

**Housing:** I understand that Cooley has booked a block of rooms for fixed dates at fixed prices for my use at the University of St. Michael's College. I further understand that it is my personal responsibility to make reservations and pay all charges. I will comply with all of St. Michael's housing rules. Should I decide to seek other housing, I will deal with the housing provider and not the school. I may have to accept less than a full refund from the housing provider if I change housing on my own.

**Social and extracurricular events:** I understand that there will be several legal events in Toronto. These are integral parts of the overall program and experience. I will attend every scheduled legal event and will conduct myself in a professional manner during them.
