## **Preparing for the LSAT & Law School:**

Resources Available Through Selected Michigan Public & College Libraries

Disclaimer: The Thomas M. Cooley Law School Libraries do not endorse any of the following titles. Rather, the list serves to show the scope of materials that are available at libraries throughout Michigan. Most titles listed were published in the past five years; however, some older titles have been included, because they appear to be particularly helpful.

If your public library does not own any of these titles, you may still be able to borrow the item, if the library is part of the "MelCat" system. Ask at your local library for more details! You can also get more info about a title through MelCat's website, at: <http://elibrary.mel.org/search> .
