

THE NATURE OF COOLEY

2009 | THOMAS M. COOLEY LAW SCHOOL | REPORT FROM THE PRESIDENT

Dear Alumni and Friends,

I continue to be amazed and proud of the great things our Law School has accomplished. From the quality of our hard-working students and productive faculty to the wonderful facilities in which they learn and teach, from our emphasis on practical legal education to our focus on ethics and professionalism, Cooley remains far ahead of the field.

Your philanthropic support for Cooley helps us to provide an outstanding legal education while keeping tuition among the lowest in the nation. With your help, we have seen impressive progress. Bar results are up. Attrition is down. Job placement figures are strong. Our reputation is better than ever. We want to be worthy of your continued support, and we hope that as you view President LeDuc's unique annual report you will decide to make a gift to Cooley. I urge you to give generously this year.

Best regards,

James D. Robb
Associate Dean of Development
