

## Christmas is Coming! The 2001 Edition of the Alumni Association Holiday Wreath Program is Getting Underway.

It is that time of year to begin thinking of the holidays. Thanks to all those who participated in last year's Holiday Wreath Program and helped to make it a great success. In addition to the pleasure of giving or receiving the wreath itself, you can take pride in your support of alumni programs. Despite an increase in cost, the wreaths will remain priced at \$29.95, which includes the wreath, shipping and handling. The beautiful 22-inch wreath is made of freshly gathered fragrant balsam boughs from the Straits of Mackinac region of northern Michigan, and are decorated with natural pine cones and a big velvet bow. The wreaths are individually boxed and

shipped directly to the recipient. As you know, it is a simple way to send a wonderful seasonal gift to friends and family across the country. It is the perfect way to say "Happy Holidays" to family and friends, or "thank you" to your valued clients. There are tax benefits too. The profit from the Wreath Program goes to support alumni programs such as the Distinguished Service Award, Alumni Memorial Scholarship and state alumni associations to name a few.

If you have any questions, comments, orders or need a form, please contact the Alumni Relations Department at 1-800-243-ALUM(2586) or locally at 371-5140, ext. 2949.
