PROFESSIONALISM COMMITMENT
STUDY ABROAD PROGRAMS**

2019 TORONTO PROGRAM

I understand that the Toronto Program is a serious academic experience. I agree to participate in a professional manner. I will represent WMU Cooley Law School and, if a guest student, my home law school well and will not jeopardize the program's continuation or its approval by the American Bar Association. I will work with the on-site director and the local co-directors to ensure a successful program. More specifically, I agree to the following:

General: While on a study abroad program, I am a representative of and an ambassador for WMU Cooley Law School and, if a guest student, my home law school. I have an obligation to represent the schools well, to our hosts at University of St. Michael's College, to faculty members and students from other schools, and to the legal and social communities in Canada. I agree at all times to conduct myself in a professional manner, through my conduct, dress and attitude. I understand that I am subject to and will abide by all applicable provisions of the Western Michigan University Cooley Law School *Student Policy Manual*.

Attendance and Preparation: I understand that WMU-Cooley's attendance and academic preparedness policies apply to the program, and I will comply with them.

Housing: I understand that WMU-Cooley has booked a block of rooms for fixed dates at fixed prices for my use in Toronto. I further understand and agree that it is my personal responsibility to pay all housing charges, including those WMU-Cooley incurs in advance on my behalf in reliance on my application and deposit. I will comply with all housing rules. Cancellation and refund policies will apply. I will deal with the housing provider and not the school should I decide to seek other housing.

Legal and Extracurricular Events: I understand that there will be several legal events in Toronto. They are integral parts of the overall program and experience. I will attend every scheduled legal event, be appropriately dressed, and will conduct myself in a professional manner during them.
